Saturday, 27 February 2021

You are invited to join your fellow JPs at our Members' Seminar.

Where: Canberra Southern Cross Club, Corinna Street, Woden.

Time: 10:30am to 12.30pm

Justices of the Peace Discussion Fest

It has been nearly 18 months since we have had the opportunity to gather and discuss various aspects in respect of being a JP in the ACT.

This seminar will give you an opportunity to sharpen your skills and share your experiences. Guidance on a range of practices will be provided. In particular we will look at the JP's role in respect of the recent changes for the self-represented land titles process; refresh the steps for witnessing affidavits; and responses to any questions on either practice among JPs or the Association.

Light refreshments will be available.
